SERVICE CATALOGUE

Technology • AI • Digital Payments • APIs

A structured overview of services and solutions

Prepared as a professional service-list document

1. Web Development

- Business Website Development
- E-commerce Website Development
- Custom Web Application Development
- Responsive Website Design
- Frontend Development
- Backend Development

2. Mobile App Development

- Android App Development
- iOS App Development
- Business Application Development
- Customer Application Development
- API Integration
- App Maintenance & Updates

3. Software Development

- Custom Business Software
- Enterprise Application Development
- Fintech Software Development
- Payment Platform Development
- Business Process Automation

4. UI/UX Design

- Website UI/UX Design
- Mobile App UI/UX Design
- Wireframing & Prototyping
- User Experience Optimization
- Design Systems Development

5. QA Testing & Automation

- Manual Software Testing
- Automated Testing
- Bug Detection & Reporting
- Performance Testing
- Functional Testing
- Quality Assurance (QA)

6. AI Solutions

- AI Agent Development
- AI Chatbot Development
- AI Bot Development
- AI-Powered Business Automation
- AI Integration & Implementation

7. AI Research & Content Intelligence

- AI Competitor Research Agent
- AI Website Analysis Agent
- AI Competitor Website Analysis
- AI Social Media Trends Analysis
- AI Content Ideas Generation Agent
- Social Media Research AI Agent
- Social Media Automation

8. Digital Marketing

- Search Engine Optimization (SEO)
- Online Brand Presence Optimization
- Digital Marketing Strategy
- Social Media Marketing
- Content Strategy & Planning
- Competitor Analysis

9. Payment Gateway & Digital Payment Solutions

- UPI Payment Solutions
- Credit Card Payment Solutions
- Debit Card Payment Solutions
- Static QR Code Solutions
- Dynamic QR Code Solutions
- Cash-to-Card Solutions
- Credit Card Repayment Solutions
- Payout Solutions: UPI, IMPS, RTGS & NEFT
- POS Machine Solutions
- Micro ATM (m-ATM) Solutions
- Payment Sound Box Solutions
- Apple Pay Integration

10. Banking & Financial APIs

- AEPS API (Aadhaar Enabled Payment System)
- BBPS API (Bharat Bill Payment System)
- UPI-to-Cash API
- Prepaid Card API
- Gift Card API
- Credit Card Repayment API
- Payout API
- Bank Account Verification API
- Civil/CIBIL Verification API

11. Travel & Booking APIs

- Bus Booking API
- Flight Booking API
- Hotel Booking API
- Train Booking API

12. Insurance APIs

- Car Insurance API
- Health Insurance API
- Life Insurance API

13. Identity Verification & KYC APIs

- Aadhaar Card Verification API
- PAN Card Verification API
- GST Verification API
- GST-to-PAN Verification API
- Bank Account Verification API
- Face Match Verification API
- KYC Verification API
- Civil/CIBIL Verification API
- Other Identity & Document Verification APIs

14. Utility & Bill Payment APIs

- BBPS Bill Payment API
- Electricity Bill Payment
- Water Bill Payment
- Gas Bill Payment
- Mobile Recharge API
- DTH Recharge API
- Other Utility Bill Payment Services

15. API Integration & Custom Solutions

- Third-Party API Integration
- Financial API Integration
- Payment API Integration
- Verification API Integration
- Custom API Development
- API Testing & Maintenance
- Business Automation Solutions

Important: Publish regulated or provider-dependent services (including payment, Apple Pay, banking, Aadhaar and verification services) only when the required integrations, provider access and applicable approvals are in place. Utility services should be listed only if supported by the platform.
